Industry Edition

Key Benefits & Features

Key Industry Specific Reports

Contractor Edition helps boost profits with easy-to-use job costing tools, nine Contractor reports, and a profitability snapshot of any open job.

- Easily track changes to contracts or proposals. **Change Orders** updates expected costs so job costing is more accurate.
- See **job profitability** on multiple projects in the Job Costing Center.
- Track **subcontractor insurance expiration dates**.

- Job Costs by Job & Vendor Summary
- Cost to Complete by Job Detail
- Job Status

Manufacturing & Wholesale Edition provides one-click access to inventory item lists, price level lists, building assemblies, and other tasks & features commonly used by wholesalers & distributors.

- Instantly see an item's complete inventory status in the **Available to Promise** window. Review how much of an item is on hand, what's been committed to customers, what's expected on Purchase Orders, and what's pending for builds.
- View the status of open sales orders on one screen in the **Sales Order Fulfillment Worksheet**. See which orders can be shipped and which can't, then instantly batch-print pick lists, packing slips or sales orders.

- Sales by Product Report
- Profitability by Product Report
- Inventory Reorder Report by Vendor

Nonprofit Edition makes it easy to demonstrate financial accountability to the Board of Directors and donors.

- Translates industry terminology in reports so you don't have to with **nine nonprofit specific reports**.
- Monitor program funding with **budget v. actual** reporting and track budgets by program with the Unified Chart of Accounts.
- Manage donors, contributions and fundraising efforts with **budgeting & forecasting tools**.

- Donor Contribution Summary Report
- Statement of Financial Income & Expense
- Statement of Functional Expenses (Form 990)

Retail Edition saves you time managing retail activities.

- Track sales in one convenient place with the **Sales Summary form**. Reconcile end-of-day sales totals to payments received.
- **Organize your customer information** on one screen. See who has paid you and who owes you.

- Purchase Volume by Vendor
- Customer Payments by Payment Item
- Vendor Returns Detail

Professional Services Edition makes it easy to keep on top of projects and show where you're making or losing money.

- Set different **billing rate levels** by employee, client or service type.
- See all **unbilled time & expenses** on one screen and transfer directly to an invoice.

- Project Status
- Billed/Unbilled Time by Person
- Unbilled Expenses by Project
